“What to do when your bank declines your loan”

- Don't Give Up and Don't despair! All lenders are not created equal!
- Business Finance Group is your business finance consulting source.
- We have a large network of banks to source your business financing needs in relation to your circumstances.
- We know our way around the different lending criteria and can warn you upfront before we submit an application for potential issues, to avoid being declined in the first place.
- We specialize in Real Estate Financing, business financing and equipment financing solutions.
